Quality Policy

Quality Policy

EXCELLENCE

Al Marooj

### Quality Policy

AlMarooj is committed to high standards of system controls that assure the quality and food safety offered to our client. This is achieved by the implementation and application of strict control and monitoring procedures by our Quality Control department such as:

- Predetermination of technical specifications of raw materials, selecting the best quality materials and performing proper inspection procedures upon receipt by our quality specialists prior to granting permission for use;

- Strict application of HACCP requirements, along with other applicable preventive measures to secure food safety;

- Empowering the role of quality controllers and production supervisors to effectively and appropriately monitor the performance during the production in order to proactively control any potentially undesirable situations;

- Performing a periodic mandatory lab testing for all production employees.

CATERING

### Catering Service

Fresh, nutritious food is one of the familiar comforts of home. At Al Marooj, we strive to achieve that subtle comfort by providing complete catering services to Oil & Gas sector and defense forces located in remote and challenging locations. We offer a full range of food supply services to large-scale labor support. Our teams are able to mobilize rapidly and efficiently anywhere.

We provide food that is healthy and delicious, sourced fresh and climate controlled throughout the storage and delivery process. We offer menus that feature multi dishes in addition to ethnic menus catering to the tastes of multi diverse nationalities. Our monthly menu cycles are adapted to seasonal changes and incorporate special dishes for Islamic & National Days of Importance.

Since 2014, we have served more than 438000 meals. There have been no food-related incidents reported across our entire scope of operations, all thanks to our robust, proven Quality Management Systems. Our Catering Services division strictly follow ISO22000.

SHEEP'S MEAT  
SUPPLY

### Sheep's Meat Supply

"Our meat is only as good as our suppliers. That's why we'll only work with the very best"

One of our major strengths is in our procurement supply base which is Wadi Hadhramout and the surrounding area.

Our key point-of-difference is our personal links with our local livestock farmers.

We buy all our meat from farms or local auction to ensure traceability and sheeps meat quality welfare.

Working in close partnership with our suppliers is core to our business and we value highly direct contact with our farmers for knowledge, innovation, assurance and sustainable development.

We believe this is key to supplying and ensuring we provide top quality of sheeps' meat.

SUPPLY

### Procurement

The Procurement of all consumer goods is a critical and central part of our Supply Chain. From our headquarters in Mukalla and Seiyun, our team deals with the sourcing of goods and services to clients in oil & gas sector.

Our network of suppliers is composed of companies with whom we have successfully worked for years, whilst developing relationships with new vendors to meet the ever changing requirements of our clients.

Al Marooj evaluates its suppliers constantly and implements the highest compliance and quality standards so that the products and facilities we provide meet and exceed client requirements.

Thanks to our direct contact with suppliers and high-volume bulk purchases, we are able to offer very competitive prices to all our clients.

**Al Marooj**

*Al Marooj much more than just a name ... It's a story of delicious dishes.*
